SHORT COURSE 1 LEGAL REASONING AND WRITING

19-21 and 25-28 August 2025
10.00-12.00 Jakarta Time

Prof. Mireille Butler

Associate Dean for Research and Faculty Development; Co-Director, Legal Analysis, Research and Writing School of Law University of Washington

This course develops sophisticated legal writing skills to prepare international students to work alongside U.S. attorneys and serve U.S. clients. Participants will gain exposure to a variety of legal writing projects, learn to use the U.S style of legal rhetoric in their writing and orally, and improve their legal analysis and writing skills including with respect to transactional drafting.

SHORT COURSE 2 INTRODUCTION TO THE AMERICAN JUDICIAL SYSTEM AND DISPUTE RESOLUTION MECHANISMS

19-21 and 25-28 August 2025
14.00-16.00 Jakarta Time

Prof. Elizabeth Porter

University Professor of Law;
Co-Director, Appellate Advocacy Clinic
School of Law University of Washington

This course provides students with an in-depth introduction to the U.S. legal system and the role of the U.S. Supreme Court within that system. It addresses the structure of the U.S. government as well as the important role of states and state law (with a particular focus on state tort law). Throughout, this course will focus on the practical impact and litigation risks of our federalist system on businesses that operate in or with the United States.
